vii Introduction This is a practical manual of self-transformation. It takes the form of a working edition of the mythological poems of the ancient Norse Poetic Edda for modern "œpagans" who practice the magic and religion of the North. The poems of the Poetic Edda form the most complete and authentic body of surviving pre-Christian Germanic religious and magical lore.

In Christian theology, Hell is the place or state into which by God's definitive judgment unrepentant sinners pass either immediately after death (particular judgment) or in the general judgment. Its character is inferred from teaching in the biblical texts, some of which, interpreted literally, have given rise to the popular idea of Hell.. Theologians today generally see Hell as the logical ...

Pluto is the god of underworld. As the governor of hidden depth in all things, Pluto represents hidden potentials, extreme passions (which are often repressed by society), and a perception that penetrates the darkness in all things – solving mysteries and unlocking new powers (think psychology and molecular physics).
