A vision statement is a vivid idealized description of a desired outcome that inspires, energizes and helps you create a mental picture of your target. It could be a vision of a part of your life, or the outcome of a project or goal. Vision statements are often confused with mission statements, but they serve complementary purposes.

Vision Statement Definitions and Examples (compiled by

Vision. A modern, innovative collection of flat woven technical textiles suitable for bus and coach interiors. The background colour of the fabric is enhanced by the delicate use of metallic highlight yarns that create striking colour effects under moving light and co-ordinates with a wide range of trim fabrics.

Fabric of Vision: Dress and Drapery in Painting, an exhibition at the National Gallery until 8 September, engages with what happens when the presentation of self by clothing is itself represented in pictures. The historical range is wide: from Byzantine linear patterning to Cubist prismatic, and from draped toga-like cloaks to modern suit and tie.

How to build a Vision Board Step 1: Assembling the backboard. I cut the 1/2â€³ plywood using a table saw to 27â€³ by 32â€³. You can make this step any size that you wish to fit the area that you are going to hang your vision board, just be sure you have enough of the fabric to cover the board. Spray the board using the adhesive spray.
