

imperial america american foreign pdf

American imperialism is a policy aimed at extending the political, economic, and cultural control of the United States government over areas beyond its boundaries. It can be accomplished in any number of ways: by military conquest, by treaty, by subsidization, by economic penetration through private companies followed by intervention when those interests are threatened, or by regime change.

The Imperial Presidency, by Arthur M. Schlesinger, Jr., is a book published in 1973 by Houghton Mifflin. This book details the history of the Presidency of the United States from its conception by the Founding Fathers through the latter half of the 20th century. The author wrote the book out of two concerns: first, that the US Presidency was out of control and second, that the Presidency had ...
