instead of the story of the Middle Ages. Detached episodes, striking figures, romantic tales, exist in plenty to rivet the child's attention and fire his fancy; but it has been no part of the plan of this work to draw attention to particular persons and events at the expense of the whole. Somehow, writes Walter

We Are Always in the Middle. This change in perspective is more than a simple trick of the mind. There is a sublime truth behind the idea that we are always in the middle. If we look at our location on a map, we are tempted to say we are at a beginning. But if we look more closely, wherever we are is simply in the middle of a larger place.
