In philosophy, rationalism is the epistemological view that "regards reason as the chief source and test of knowledge" or "any view appealing to reason as a source of knowledge or justification". More formally, rationalism is defined as a methodology or a theory "in which the criterion of the truth is not sensory but intellectual and deductive".. In an old controversy, rationalism was opposed ...

Unrest due to the Avignon Papacy and the Papal Schism in the Roman Catholic Church (1378â€“1416) sparked wars between princes, uprisings among peasants, and widespread concern over corruption in the Church. A new nationalism also challenged the relatively internationalist medieval world. The first of a series of disruptive and new perspectives came from John Wycliffe at Oxford University, then ...
