The balance of power theory is a core tenet of both classical and neorealist theory and seeks to explain alliance formation. Due to the neorealist idea of anarchism as a result of the international system, states must ensure their survival through maintaining or increasing their power in a self-help world. With no authority above the state to come to its rescue in the event of an attack by a ...

The characteristics of a PV module can be demonstrated by power-voltage or current-voltage curves. Fig. 1 shows the power-voltage curve of a PV module for different conditions of solar irradiance and cell temperature. As the figure shows, the PV output power is dependent on solar irradiance and cell temperature.
