

**ireland land of troubles pdf**

The Troubles (Irish: Na Triobláid) was an ethno-nationalist conflict in Northern Ireland during the late 20th century. Also known internationally as the Northern Ireland conflict, and the Conflict in Ireland, it is sometimes described as a "guerrilla war" or a "low-level war". The conflict began in the late 1960s and is usually deemed to have ended with the Good Friday Agreement of 1998.

**The Troubles - Wikipedia**

During the last glacial period, and up until about 10,000 BC, most of Ireland was periodically covered in ice. Sea levels were lower and Ireland, like Great Britain, formed part of continental Europe. By 16,000 BC, rising sea levels due to ice melting caused Ireland to become separated from Great Britain. Later, around 6000 BC, Great Britain itself became separated from continental Europe.
