Introductory notes. The subject of this chapter of our TrotskyanaNet site is not the Trotskyist press in general, i.e. the serials (or, periodicals) produced and disseminated by the numerous national parties and groups or international bodies claiming adherence to Trotsky and/or to Trotskyist positions in past and present. Those publications were dealt with in our Trotskyist Serials ...

Orientalism is a term used by art historians and literary and cultural studies scholars for the imitation or depiction of aspects in the Eastern world. These depictions are usually done by writers, designers, and artists from the West. In particular, Orientalist painting, depicting more specifically "the Middle East", was one of the many specialisms of 19th-century academic art, and the ...
