The 2003 Iraq War: Operations, Causes, and Consequences

Athenian democracy developed around the fifth century BC in the Greek city-state (known as a polis) of Athens, comprising the city of Athens and the surrounding territory of Attica, and is often described as the first known democracy in the world. Other Greek cities set up democracies, most following the Athenian model, but none are as well documented as Athens's.

Ethnocentrism is the act of judging another culture based on preconceptions that are found in values and standards of one's own culture. Ethnocentric behavior involves judging other groups relative to the preconceptions of one's own ethnic group or culture, especially regarding language, behavior, customs, and religion. These aspects or categories are distinctions that define each ethnicity's ...
