I agree Dorothy about some of the types of activities described. The on line environment doesn't allow for many of them. It's amazing how many students will send a private message to the teacher to ask a basic question or make a comment, they just want to disappear.

### **The Big List of Class Discussion Strategies | Cult of Pedagogy**

Reflective listening is a communication strategy involving two key steps: seeking to understand a speaker's idea, then offering the idea back to the speaker, to confirm the idea has been understood correctly. It attempts to "reconstruct what the client is thinking and feeling and to relay this understanding back to the client". Reflective listening is a more specific strategy than the more ...

## **33 Questions to Ask When Networking - Seckler**

Interpreting is a translational activity in which one produces a first and final translation on the basis of a one-time exposure to an expression in a source language.. The most common two modes of interpreting are simultaneous interpreting, which is done at the time of the exposure to the source language, and consecutive interpreting, which is done at breaks to this exposure.
