Play by Stuart Brown M.D., Christopher Vaughan

About Stuart Brown. Dr. Stuart Brown is the founder of the National Institute for Play in California. Brown came to study play after studying something much more somber: the lives of murderers.

Stuart Brown: How Does Play Shape Our Development? : NPR

Dr. Stuart Brown is a leading play expert who has researched and written about the significance of play in the lives of animals and humans and how free play develops the social and locomotive skills in children that are necessary in life. He founded the National Institute for Play to focus on the research on play.

Stuart Brown - A wealth of play and playground information

Dr. Stuart Brown suggests that the rough-and-tumble play of children actually prevents violent behavior, and that play can grow human talents and character across a lifetime. Play, as he studies it, is an indispensable part of being human.

About Us - National Institute for Play

A pioneer in research on play, Dr. Stuart Brown says humor, games, roughhousing, flirtation and fantasy are more than just fun. Plenty of play in childhood makes for happy, smart adults -- and keeping it up can make us smarter at any age.

Stuart Brown: Play is more than just fun | TED Talk

Why Play Personality Matters for Parents Before you can connect with your children, re-connect with your inner child. At the National Institute for Play, Dr. Stuart Brown researched the many different ways to play, and defined eight distinct "play personalities" that parents can cultivate in their own lives and share with their children to build lasting family connections.

THE POWER OF PLAY - childrensmuseums.org

This is a wonderful book. Stuart Brown points out something that the modern world desperately needs to hear: to play is to be human. Brown, drawing on a fair bit of recent scientific research, argues that approaching life with a playful attitude is not only important for being a happy person, but it's also important for being a creative person.

Play: How it Shapes the Brain, Opens the Imagination, and

Stuart Brown gives some interesting insights into the value of play. I think his last line (before the Q&A) is the most important: "I would encourage you all to engage not in the work-play differential where you set

aside time to playâ€”but where your life becomes infused minute by minute, hour by hour, with body, object, social, fantasy, transformational kinds of play.â€•
